RE : Purchased Water Rate Adjustment

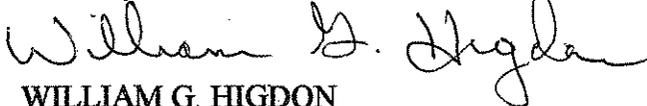

*Case No. 2006-00157*

Ms. O'Donnell,

By letter dated March 15, 2006, we were notified that our wholesale supplier, Owensboro Municipal Utilities (OMU) will be increasing their rate charged to us from \$ 1.360 per 1,000 gallons to \$ 1.491 per 1,000 gallons effective June 1, 2006. As a result, we are submitting a purchased water adjustment to recover the additional water cost to the Southeast Daviess County Water District. Pages 1 - 3 is the information requested by the Public Service Commission for the rate adjustment. Pages 4 and 5 is the revised tariff sheets which pertain to the rate increase. Exhibit A is the before mentioned letter from OMU. Exhibit B is our calculation of how the increase will affect the rates to our customers. Exhibit C is the newspaper notice notifying our customers of the purchased water adjustment submitted to the Public Service Commission to be included in our local newspaper.

If there are any questions, please contact our office.

Sincerely,

WILLIAM G. HIGDON  
Manager

1.a. Name of all wholesale suppliers and the base (current) rate and changed rate of each. In the event the water purchased is billed by the supplier on a rate that is not a flat rate schedule, the entire rate shedule must be shown. Attach additional sheets if necessary.

<u>Supplier(s)</u>	<u>Base Rate</u>	<u>Changed Rate</u>
<u>Owensboro Municipal Utilities</u>	<u>\$ 1.360 per 1,000 gal.</u>	<u>\$ 1.491 per 1,000 gal.</u>
<u> </u>	<u> </u>	<u> </u>
<u> </u>	<u> </u>	<u> </u>

1.b. A copy of the supplier's notice of the changed rate showing the effective date of the increase is attached as Exhibit A.

2. Twelve-month period upon which the purchased water adjustment is based. (This twelve-month period must end within 90 days of this filing).

From April 2005 through March 2006  
(month and year) (month and year)

3. Statement of water purchases. Where water is purchased from more than one supplier, purchases from each supplier must be shown separately. If water is purchased through a declining block rate schedule, purchases for each month must be shown. Attach an additional sheet if necessary.

Supplier(s)	Gallons Purchased during 12 month period
<u>Owensboro Municipal Utilities</u>	<u>579,585,200</u>
<u> </u>	<u> </u>
<u> </u>	<u> </u>
<u>TOTAL PURCHASES</u>	<u>579,585,200</u>

4. Total sales for the 12 month period 546,137,670.

5. Increased water cost \$ 75,925.66.

The increased water cost is the cost difference between purchases at base (current rate) and purchases at new rate.

6. Purchased water adjustment factor \$ .14 per 1,000 gallons

The purchased water adjustment factor is obtained by dividing the increased cost of water by the total gallons sold.

Note: The purchased water adjustment factor is added to each thousand gallons sold. If the minimum usage is 2,000 gallons then the purchased water adjustment factor would be added to the minimum bill twice. Revised tariff sheets must be attached showing the rate to be charged by the utility and the effective date of the increased rates.

7. Proposed effective date June 1, 2006.

Re: Wholesale Water Rate Increase

Dear Bill:

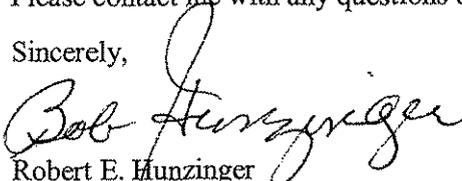

We have made the required rate calculations using projected usages and costs for the remainder of the fiscal year ending May 31, 2006, as per the terms of our contract. A copy of these calculations is enclosed, as well as a copy of fiscal year 2005 true-up calculations.

Based on these calculations, the rate charged to the Southeast Daviess County Water District will become \$1.491 per thousand gallons effective June 1, 2006, an increase of 9.6% versus fiscal year 2006. Please recall our discussions last March pertaining to projected future rates for the district. At that time, we estimated the Southeast District rate for the coming year to be approximately \$1.50 per thousand gallons.

The ultimate per unit cost to Southeast District is highly dependent upon the annual district usage. Future year calculations may result in fluctuations in the rate per thousand gallons. The formal calculation will continue to be prepared annually.

Please contact me with any questions or if you need further information.

Sincerely,

  
Robert E. Hunzinger  
General Manager
